GREENWOOD NEWS

Construction Update

Clubhouse Sign Restored

"The Village Club" sign, originally installed at the opening of the clubhouse in 1970, is now back up, welcoming all who come to the Greenwood clubhouse. Special thanks to Al Fodor, Wayne Nieman, and Scott Klement, who took down and restored the badly rotted sign over the winter. The next step will be installation of new lighting and landscaping to accent the sign.

New Doors

New insulated doors were installed to replace the center doors on the front of the clubhouse.

Building Repairs

Our contractor is focused on completing repairs to the clubhouse walls bordering the outdoor pool area. Weather permitting, they will be done before the outdoor pool opens. We apologize for the noise and inconvenience caused by these necessary repairs.

Village Parkway Sign Destroyed!

About 3 pm in the afternoon on Monday, April 16, someone ran over the Village Parkway signs located at the intersection with Greenwood Parkway. The signs were smashed beyond repair, so we will have to replace them. If you or anyone you know has any information about this accident, please contact the GVCA Office or Sagamore Hills Police.

Bikers, Dog Walkers and Private Property

We have been getting complaints from residents about people walking their dogs and riding their bikes through the private property of condominium associations and single family homeowners. Please stay on public streets or GVCA trails, do not trespass on private property that is not your own. Your neighbors will appreciate your courtesy.

If you are unclear about where you can go, please get a Greenwood Village map at the clubhouse or on the web site. You are welcome to go anywhere shown in white on the map (but **please do not ride bikes on the grass**).

GREENWOOD ACTIVITIES

GVCA Annual Trout Derby

The Trout Derby is Saturday, May 5, 2012. Sign-up flyers are available [online](#) or at the GVCA office. (No fishing Thursday and Friday before the derby.)

(For more Greenwood Activities, go to Page 2)

ACCES APPROVAL

Don't forget to fill out and submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. You should have the latest ACCES Rules, dated 4/20/2004, which includes a list of items that do not need approval, as well as a list of what to include with the form, such as a design drawing, a plat drawing showing location, and color samples. **Single-family homeowners** must have their neighbors' signatures on the form.

Condominium owners must have the written approval of their board or management company on the "Request for ACCES Approval" form *before* submission to the ACCES.

Condominium associations or their management companies also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects. All requests for approval should be submitted to the GVCA office two weeks prior to the meeting. The ACCES meets on the **first Tuesday of the month. The next ACCES submittal deadline is Tuesday, May 22, 2012.** This gives the committee members time to review and do an on-site inspection if necessary. The next ACCES meeting is on **Tuesday, June 5, 2012**, at 7:00 pm. Approval forms are available on the desk by the women's locker room. Contact the GVCA office if you need a copy. **Don't forget the necessary Sagamore Hills and Summit County permits for your project!!!** Call Alice Kanieski, the Zoning Inspector for Sagamore Hills Township (330-467-0900).

At the April meeting, ACCES approved tree removals, satellite dishes, windows, deck resurfacing, mailbox huts, radon mitigation system, and lighting.

Pool breaks - During pool breaks, only people using the lap lanes for swimming (or the walking lane for walking) can remain in the pool, everyone else must exit the pool for the break.

Personal Flotation Devices - Only United States Coast Guard approved personal flotation devices may be worn in the pool and the person using them must be supervised by an adult.

Other Devices - such as free floating supports (i.e., foam noodles), toys, or swim aids may be used only with permission of the lifeguard on duty. Note: Lifeguards will not approve the use in the pool area of hard balls (such as footballs) that could injure residents.

For a complete list of the rules please see the bulletin board by the pool or the [GVCA website](#)

Did we mention we have a new website?

SATELLITE ANTENNAS

Satellite antennas, like all changes to your property, are covered by ACCES. If you wish to install a satellite antenna, call the GVCA office or Manager, he will be glad to come out and help you locate the best place to mount your antenna and will give you an instant ACCES approval. Note: the GVCA Board of Trustees passed a motion in 2001 prohibiting mounting individual satellite antennas on any GVCA or condominium common property, including buildings. Satellite antennas can only be mounted in your exclusive use area, which for condo owners is inside your patio or deck. (Pick up a copy of the ACCES guidelines on satellites from the website or GVCA Office. Check with your condo association to see if they have any special rules regarding satellite antenna or cable installation.)

HOMES ♦ CONDOMINIUMS ♦ APTS

Think of buying? Greenwood Village is one of the most unique developments in Ohio. Surrounded by parks, it is a nature lover's paradise. All residents are members of GVCA, which entitles you to use the amenities, such as swimming year-round at our indoor and outdoor pools, fishing in our pond stocked with rainbow trout, bass, bluegill, and channel catfish, playing tennis or volleyball on our outdoor courts, hiking on our trails, and rental of our party rooms. Be sure your title agency notifies GVCA of your pending purchase, so we can let them know about any GVCA fees they need to settle as part of the closing costs. Once you move in, please stop by the GVCA office at the clubhouse to sign up for your activity passes, so you can use the facilities.

Thinking of selling your home? Potential buyers stop by the clubhouse looking for listings of homes for sale in the newsletter, so be sure to place a free ad here and on the bulletin board. NOTICE: Be sure your realtor knows Greenwood bylaws do not allow posting signs outside of the unit. One 11 x 14 inch "For Sale" sign is permitted in the window. Contact the GVCA office if you are having an open house. The GVCA Board has approved Greenwood "Open House" signs that you or your realtor may rent at the office for no charge. (\$40 deposit per sign).

New Rules for Open House Sign Rentals

ACCES recently approved a new Open House Sign Rental Form. It is available on the web site and at the GVCA office. Open House signs are still free to rent when you give the GVCA office a check as a deposit. The major change regards the check cashing policy. GVCA will still return the check uncashed, if the signs are returned within a week. However, if you keep the signs for longer than a week, we will now cash your check, and issue a refund check when the signs are returned.

Shopping for a condominium? Ohio law changed in 2004. Condominiums associations are now required to be fully funded, unless the majority of residents vote against it every year. Fully funded associations typically have higher monthly fees, but should not hit you with special assessments for expected repairs. Check if your association is fully funded before you buy.
