GREENWOOD NEWS

A Special Thank You

A big thank you to Richard and Kathy Schabel, Pat Janotka, Mary Ann Mates, and Carl and Joyce Rossborough, our Greenwood Elves, for taking down the Holiday decorations. Great Job!

Security Alert Update

Sagamore Hills is one of the safest neighborhoods in Northeast Ohio (according to a recent survey by the Plain Dealer). To keep it that way, our police need your help to apprehend a thief targeting Greenwood residences. A message from the Police Chief:
"In all these burglaries, forced entry was made through the front door and small items were removed; mostly cash and jewelry. All of these occur early in the evening when people may not yet be home from work. Our Detectives have determined that the suspect(s) are possibly going door to door or watching for houses that appear as if nobody is home. The Detectives have developed the possibility that a female suspect will knock at the door and if a resident answers, appear to be soliciting for the 'Family Mission,' or state she has the wrong residence, or flee. There probably is another suspect nearby or in a vehicle.

Please pay attention to ANYBODY knocking at your door after dark, and call 911 immediately. Also please call 911 if you observe ANYBODY sitting on the street in a vehicle. We will solve these crimes but need to have your cooperation."

To learn how to help and stay safe, see our website alert <http://greenwoodohio.org/alerts.php> and "like" our Facebook page for breaking news.

GREENWOOD NEWS (continued)

Pool Chairs

GVCA needs to replace the plastic lounge chairs for the outdoor pool area. If you know of a chair that would make a good replacement, please pass on the information to Debbie, the Pool Supervisor, by Thursday, Feb 14. The new chairs need to be more comfortable, more durable, and a reasonable price.

Party Room Security Guard Rates Increase

To cover increasing costs, the GVCA Board of Trustees voted to increase the rate we charge residents for party security to \$16 per hour (\$24 per hour on holidays). If you have already signed a party contract at the old rate, GVCA will honor it. If you have not yet signed a contract, the new rate will apply. The Party Room Rental Contract is already updated and available on the Greenwood website at

http://www.greenwoodohio.org/gov_party-room.php.

Construction Update

GVCA is pleased to announce that the major renovation work on the Clubhouse is essentially complete. Some items, like the 13 new doors, are obvious. Others are not visible, but were of critical importance. Here is a quick summary:

- New framing installed for 6 door openings.
- 54 wood ceiling beams were rebuilt, treated to prevent rot, and protected behind a new weatherproof seal of brick or aluminum.
- 20 steel plates, 3/8" thick & 110 lbs. each, were welded and bolted onto the pool room roof beams for reinforcement.
- 52 steel support posts were cleaned, fixed as needed, and protected with an epoxy coating.
- Two 36 foot I beams that support the front of the building were reinforced with welded steel plates & protected with an epoxy coating.
- 48 new sub-sills were installed under all the second story window frames. These were critical to stopping the water leaks that were the cause of much of the damage.
- All the bronze colored aluminum flashing had to be removed for the repairs. We were able to recycle a few pieces of metal flashing, but the rest is all new, both inside and out.
- Installed new rubber seals on the bottom of every window, & replaced several windows.

In addition to the work on the exterior of the building, the GVCA office was expanded and its HVAC system was replaced. The downstairs restrooms were upgraded for ADA compliance. New locker room partitions were installed. A larger pool heat exchanger and new pump motor controller were installed, along with new wiring.

GVCA thanks you for your patience during this long period of major renovation, and invites you to come enjoy your beautiful clubhouse and pool.

New ACCES Rule on Solar and Wind Power

A new ACCES rule prohibiting solar panels and wind generators was passed by GVCA Board of Trustees at the January meeting. They were banned because the appearance is not in keeping with the aesthetics of Greenwood Village. Noise was also a factor in banning wind generators. Eventually the technologies may evolve (like it did for awnings) to where noise or appearances are no longer issues, but for the foreseeable future the ban will remain in effect.

Greenwood Garden

Returning 2012 gardeners, please pay for your plots by **Saturday, March 9** (\$20 for first plot, \$25 for each additional plot, make checks payable to "GVCA"). Plots not renewed by March 9 will be made available to new gardeners. Check the garden website if you want to trade plots.

If you want to be a new gardener, call or email the GVCA office (gvca_office@yahoo.com) to give us your name, phone number, and email address by **Saturday, March 30** to be on the list for a garden plot this year. We will go down the list and contact you as plots become available. To get the latest gardener news, sign-up on the website at: http://groups.yahoo.com/group/Greenwood_Garden, or subscribe by sending an email to: Greenwood_Garden-subscribe@yahoogroups.com.

Retractable Awnings

ACCES is now accepting applications for awnings. Since this is new for ACCES and requires approval of your condominium associations, we recommend you submit your application early, if you want to put up a retractable awning in the spring. For more info go to: http://greenwoodohio.org/retractable_awning_rules.php.

GVCA Semi-Annual Fee

The bill for the January 2013 semi-annual fee of \$196 was mailed out in December. This is not an optional or recreational fee. Last day to pay the fee without penalty was January 30, 2013, after which time we add a late fee of \$40 to all unpaid accounts. An additional late fee of \$20 is added to all unpaid accounts, including unpaid late fees, at the end of each month thereafter. After March 30, all unpaid accounts will be turned over to the attorney for collection, who place liens on the properties. All legal fees (such as \$85 for each legal notice sent, and \$250 to place and remove the lien) and court costs are the responsibility of owner and will be added to amount you owe. In addition, use of facilities will be denied until account is paid in full, including all late or legal fees. You can mail your check or drop it through the slot in the office door. Alternatively, you can pay the semi-annual fee through your online banking program at your financial institution. Payee = GVCA, 830 Village Club Drive, Sagamore Hills, OH 44067. Be sure to include your GVCA account number, so your account is properly credited. **If you have questions, call the GVCA office at 330-467-7036!** (Note: There is a GVCA transfer fee of \$75 on units bought in Greenwood, payable by the buyer.)

Satellite Antennas

Satellite antennas, like all changes to your property, are covered by ACCES. If you wish to install a satellite antenna, call the GVCA office or Manager, he will be glad to come out and help you locate the best place to mount your antenna and will give you an instant ACCES approval. Note: the GVCA Board of Trustees passed a motion in 2001 prohibiting mounting individual satellite antennas on any GVCA or condominium common property, including buildings. Satellite antennas can only be mounted in your exclusive use area, which for condo owners is inside your patio or deck. (Pick up a copy of the ACCES guidelines on satellites from the website or GVCA Office. Check with your condo association to see if they have any special rules regarding satellite antenna or cable installation.)

ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. You should have the latest ACCES Rules, dated 4/20/2004, which includes a list of items that do not need approval, as well as a list of what to include with the form, such as a design drawing, a plat map showing location, and color samples. **Single-family homeowners** must have their neighbors' signatures on the form. **Condominium owners** must have the written approval of their board or management company on the "Request for ACCES Approval" form before submission to the ACCES. **Condominium associations or their management companies** also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects. All requests for approval should be submitted to the GVCA office two weeks prior to the meeting. The ACCES meets on the **first Tuesday of the month. The next ACCES submittal deadline is Tuesday, February 19, 2013.** This gives the committee members time to review and do an on-site inspection if necessary. The next ACCES meeting is on **Tuesday, March 5, 2013**, at 7:00 pm. Approval forms are available on the desk by the women's locker room. If you need a copy, contact the GVCA office or download it from the website. **Don't forget Sagamore Hills zoning and Summit County building permits for your project!!!** Call the Zoning Inspector for Sagamore Hills Township (330-467-0900).

HOMES ♦ CONDOMINIUMS ♦ APTS

Think of Buying?

Greenwood Village is one of the most unique developments in Ohio. Surrounded by parks, it is a nature lover's paradise. All residents are members of GVCA, which entitles you to use the amenities, such as swimming year-round at our indoor and outdoor pools, fishing in our pond stocked with rainbow trout, bass, bluegill, and channel catfish, playing tennis or volleyball on our outdoor courts, hiking on our trails, and rental of our party rooms. Be sure your title agency notifies GVCA of your pending purchase, so we can let them know about any GVCA fees they need to settle as part of the closing costs. Once you move in, please stop by the GVCA office at the clubhouse to sign up for your activity passes, so you can use the facilities.

Sign Rules

NOTICE: Be sure your realtor knows Greenwood bylaws do not allow posting of unapproved signs. One 11 x 14 inch "For Sale" sign is permitted in the window. Contact the GVCA office if you are having an open house. The GVCA Board has approved Greenwood "Open House" signs that you or your realtor may rent at the office for no charge. (\$40 deposit required per sign).

Thinking of Selling your Home?

Potential buyers stop by the clubhouse looking for listings of homes for sale in the newsletter, be sure to place a free ad here. It will also be on our website!

Shopping for a Condominium?

Condominiums associations are required to be fully funded, unless the majority of residents vote against it every year. Fully funded associations typically have higher monthly fees, but should not hit you with special assessments for expected repairs. Check if your association is fully funded before you buy.
