Those who pass the test are recorded in our swim test log and permitted to swim in the deep end.

HOMES ♦ CONDOMINIUMS ♦ APTS

Think of Buying?

Greenwood Village is one of the most unique developments in Ohio. Surrounded by parks, it is a nature lover's paradise. All residents are members of GVCA, which entitles you to use the amenities, such as swimming year-round at our indoor and outdoor pools, fishing in our pond stocked with rainbow trout, bass, bluegill, and channel catfish, playing tennis or volleyball on our outdoor courts, hiking on our trails, and rental of our party rooms. Be sure your title agency notifies GVCA of your pending purchase, so we can let them know about any GVCA fees they need to settle as part of the closing costs. Once you move in, please stop by the GVCA office at the clubhouse to sign up for your activity passes, so you can use the facilities.

Sign Rules

NOTICE: Be sure your realtor knows Greenwood bylaws do not allow posting of unapproved signs. One 11 x 14 inch "For Sale" sign is permitted in the window. Contact the GVCA office if you are having an open house. The GVCA Board has approved Greenwood "Open House" signs that you or your realtor may rent at the office for no charge. (\$40 deposit required per sign).

Thinking of Selling your Home?

Potential buyers stop by the clubhouse looking for listings of homes for sale in the newsletter, be sure to place a free ad here. It will also be on our website!

Shopping for a Condominium?

Condominiums associations are required to be fully funded, unless the majority of residents vote against it every year. Fully funded associations typically have higher monthly fees, but should not hit you with special assessments for expected repairs. Check if your association is fully funded before you buy.

ACCES

Generators, Radon Mitigation Systems

ACCES would like to remind Greenwood homeowners that generator installations and radon mitigation systems require ACCES Approval. ACCES has approved both in the past, and wants to ensure every installation minimizes the impact of the appearance and the noise of these systems.

Satellite Antennas

Satellite antennas, like all changes to your property, are covered by ACCES. If you wish to install a satellite antenna, call the GVCA office or Manager, he will be glad to come out and help you locate the best place to mount your antenna and will give you an instant ACCES approval. Note: the GVCA Board of Trustees passed a motion in 2001 prohibiting mounting individual satellite antennas on any GVCA or condominium common property, including buildings. Satellite antennas can only be mounted in your exclusive use area, which for condo owners is inside your patio or deck. (Pick up a copy of the ACCES guidelines on satellites from the website or GVCA Office. Each condominium association is different, so please check with yours for their special rules regarding satellite or cable installation.)

ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. You should have the latest ACCES Rules, dated 4/20/2004, which includes a list of items that do not need approval, as well as a list of what to include with the form, such as a design drawing, a plat map showing location, and color samples. **Single-family homeowners** must have their neighbors' signatures on the form. **Condominium owners** must have the written approval of their board or management company on the "Request for ACCES Approval" form *before* submission to the ACCES. **Condominium associations or their management companies** also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects. All requests for approval should be submitted to the GVCA office two weeks prior to the meeting. The ACCES meets on the **first Tuesday of the month. The next ACCES submittal deadline is Tuesday, July 23, 2013.** This gives the committee members time to review and do an on-site inspection if necessary. The next ACCES meeting is on **Tuesday, August 6, 2013**, at 7:00 pm. Approval forms are available on the desk by the women's locker room. If you need a copy, contact the GVCA office or download it from the website. **Don't forget Sagamore Hills zoning and Summit County building permits for your project!!!** Call the Zoning Inspector for Sagamore Hills Township (330-467-0900).

Cable Service

Time Warner Cable appointed a special representative for Greenwood Village residents. Contact Mike at 330-604-1949 for your cable TV, high-speed internet, phone service. Ask him how you can get more for your money.

Retractable Awnings

Do you want an awning? If so, first get approval from your condominium association, we recommend you submit your application early, if you want to put up a retractable awning this summer. Homeowners need neighbors' approval before submitting application.
