GREENWOOD NEWS

First Energy Adding New Power Line

We just received notice from First Energy that they will be adding a second string of power lines on the towers that run along the Hike and Bike Trail on the east edge of Greenwood. The first step will be surveying and then clearing the right of way under the path of the new wires. The actual wires will not go up until next year. Property owners along the right of way should have received a letter with more information from First Energy.

American Red Cross Blood Drive

Co-sponsored by Williamsburg Townhouses and Greenwood Village, the American Red Cross will be holding a Blood Drive on Monday, September 30, from 2:00-6:00 p.m. in the Greenwood Village Clubhouse in the Community Room. All who come to donate will be entered into a raffle to win a \$50 Gift Card! To schedule an appointment, please go to www.redcrossblood.org or call 1-800-REDCROSS.

GVCA Semi-Annual Fee*

The bill for the July 2013 semi-annual fee of \$204 was due July 1. You can mail your check or drop it through the slot in the office door. Alternatively, you can pay the semi-annual fee through your online banking program at your financial institution. Payee = GVCA, 830 Village Club Drive, Sagamore Hills, OH 44067. Include your GVCA account number, so your account is properly credited. **Have questions, call 330-467-7036!** (Note: There is a \$75 transfer fee on units bought in Greenwood, payable by buyer.)

*This is not an optional fee. **Last day to pay the fee without penalty was July 30, 2013, after which time we added a late fee of \$40 to all unpaid accounts. An additional late fee of \$20 is added to all unpaid accounts, including unpaid late fees, at the end of each month thereafter. After September 30, all unpaid accounts will be turned over to the attorney for collection, who place liens on the properties.** All legal fees (such as \$85 for each legal notice sent, and \$250 to place and remove the lien) and court costs are the responsibility of owner and will be added to amount you owe. In addition, use of facilities will be denied until the account is paid in full.

Think of Buying?

Greenwood Village is one of the most unique developments in Ohio. Surrounded by parks, it is a nature lover's paradise. All residents are members of GVCA, which entitles you to use the amenities, such as swimming year-round at our indoor and outdoor pools, fishing in our pond stocked with rainbow trout, bass, bluegill, and channel catfish, playing tennis or volleyball on our outdoor courts, hiking on our trails, and rental of our party rooms. Be sure your title agency notifies GVCA of your pending purchase, so we can let them know about any GVCA fees they need to settle as part of the closing costs. Once you move in, please stop by the GVCA office at the clubhouse to sign up for your activity passes, so you can use the facilities.

Sign Rules

NOTICE: Be sure your realtor knows Greenwood bylaws do not allow posting of unapproved signs. One 11 x 14 inch "For Sale" sign is permitted in the window. Contact the GVCA office if you are having an open house. The GVCA Board has approved Greenwood "Open House" signs that you or your realtor may rent at the office for no charge. (\$40 deposit required per sign).

Thinking of Selling your Home?

Potential buyers stop by the clubhouse looking for listings of homes for sale in the newsletter, be sure to place a free ad here. It will also be on our website!

Shopping for a Condominium?

Condominiums associations are required to be fully funded, unless the majority of residents vote against it every year. Fully funded associations typically have

higher monthly fees, but should not hit you with special assessments for expected repairs. Check if your association is fully funded before you buy.

ACCES

ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. You should have the latest ACCES Rules, dated 4/20/2004, which includes a list of items that do not need approval, as well as a list of what to include with the form, such as a design drawing, a plat map showing location, and color samples. Single-family homeowners must have their neighbors' signatures on the form. Condominium owners must have the written approval of their board or management company on the "Request for ACCES Approval" form *before* submission to the ACCES. Condominium associations or their management companies also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects. All requests for approval should be submitted to the GVCA office two weeks prior to the meeting.

The ACCES meets on the **first Tuesday of the month. The next ACCES submittal deadline is Tuesday, October 22, 2013.** This gives the committee members time to review and do an on-site inspection if necessary. The next ACCES meeting is on **Tuesday, November 5, 2013,** at 7:00 pm. Approval forms are available on the desk by the women's locker room. If you need a copy, contact the GVCA office or download it from the website. **Don't forget Sagamore Hills zoning and Summit County building permits for your project!!!** Call the Zoning Inspector for Sagamore Hills Township (330-467-0900).

a supplier to submit with your retractable awning Request for Approval form and other supporting / information / materials. Only a few manufacturers meet the strict standards enacted by the GVCA Board of Trustees. For info go to:

Fire Pits and Grills

What are the rules on grilling in Greenwood?

Check the website FAQ section to find out!

Go to <http://greenwoodohio.org/fagres.php#13>

NOTE: Non-portable (i.e., permanent) fire pits DO require ACCES approval! Please include a plot map showing the location of the fire pit on your property.

Satellite Antennas

Satellite antennas, like all changes to your property, are covered by ACCES. If you wish to install a satellite antenna, call the GVCA office or Manager, he will be glad to come out and help you locate the best place to mount your antenna and will give you an instant ACCES approval. Note: the GVCA Board of Trustees passed a motion in 2001 prohibiting mounting individual satellite antennas on any GVCA or condominium common property, including buildings. Satellite antennas can only be mounted in your exclusive use area, which for condo owners is inside your patio or deck. (Pick up a copy of the ACCES guidelines on satellites from the website or GVCA Office. Each condominium association is different, so please check with yours for their special rules regarding satellite or cable installation.)

Retractable Awnings - Know the Rules

A retractable awning for any housing unit in Greenwood (single family home or condominium) requires ACCES Approval. [Homeowners need their neighbors' approval prior to submission to ACCES. Condo owners need their Association's approval prior to submission to ACCES.] The ACCES rules and standards for awnings are very exacting. ACCES recommends you read the retractable awning rules carefully prior to shopping to insure the one you select can meet GVCA's rigorous standards (show the supplier the standards). Owners will need a proposal from
