## GREENWOOD NEWS

### Village Club Road Paving

Paving of Village Club Road will start Tuesday, September 2, and is scheduled to be complete by Friday, October 31, weather permitting. This will be an extensive rebuild, as they are removing the pavement all the way down to the dirt. One lane will be maintained during construction for access to the clubhouse parking lot as well as Mill Race Lane, Pipes Court, Spafford Oval, Tinkers Lane, and the Village Club Condominiums. However, that road may be only gravel at times.

GVCA plans to redo the turnaround in front of the clubhouse at the same time and with a similar construction schedule, so the surface may be rough for a while. Anyone with difficulty walking is advised to use the main parking lot instead.

Watch the [Greenwood website](#) and [Facebook Page](#), as well as the [Township of Sagamore Hills website](#), for updates and more information as it becomes available.

### Outdoor Sunning Area

Every year after we close the outdoor pool, we get beautiful warm sunny days that make you want to go to the pool and lay out. **Well, this year you can!** We have created an outdoor sunning area that will be open on any day the weather is warm and sunny. You access it by going through the indoor pool area. Want to top off your Vitamin D before winter arrives? Here is your chance! (And if the day cools off, warm back up with the nice hot sauna in the locker room.)

## Fall Exercise Class

Need group motivation to exercise? Want a good workout combining aerobics, strength training, and stretching led by a professional instructor? GVCA will offer a Circuit Class Tuesday & Thursday mornings at 9:15 beginning September 9, **only if we have 12 or more people sign up.** You must register at the GVCA Office and pay \$18 for the first 6 classes by **Friday, September 5.**

If you wish to attend aerobics or G.A.S. classes, you need to follow along with the class instructions.

### **Pool Rules:**

See the bulletin board or website for complete [Pool Rules](#). Here are a couple of the important points:

### **Important Pool Rules:**

**Pool breaks** - During pool breaks everyone must exit the pool for the break. Pool breaks are no longer scheduled. Instead they are called at the lifeguard's discretion.

**Personal Flotation Devices** - Only United States Coast Guard approved personal flotation devices may be worn in the pool and the person using them must be supervised by an adult.

**Other Devices** - such as free floating supports (i.e., foam noodles), toys, or swim aids may be used only with permission of the lifeguard on duty. Note: Lifeguards will not approve the use in the pool area of hard balls (such as footballs) that could injure residents.

## **Deep End Swim Test**

- Anyone who wishes to swim in the deep end may be required by the lifeguard to first perform a swim test.
- The test includes swimming the length of the pool twice using any an aggressive front stroke with face in the water for one length of the pool and any stroke (not the dog paddle) for the second length of the pool, and treading water. Those who pass the test are recorded in our swim test log and permitted to swim in the deep end.
- To ensure every swimmer's safety, we start a new swim test logbook at least twice a year, so please don't be surprised if you are required to take the same swim test again. Safety is our first priority.

## **GREENWOOD NEWS (continued)**

### **Party Room Update - New Tables**

Thanks to the generous donation of FOG (Friends of Greenwood), GVCA has been able to update the party rooms with new plastic tables. FOG donated the 6 and 8 foot rectangular tables, and GVCA purchased matching 5 foot round tables. Being lighter, these tables are much easier to move. Having a special event? Contact the GVCA Office about renting the Clubhouse party rooms.

### **GVCA Semi-Annual Fee\***

The bill for the July 2014 semi-annual fee of \$207 was mailed in early June. You can mail your check or drop it through the slot in the office door. Alternatively, you can pay the semi-annual fee through your online banking program at your financial institution. Payee = GVCA, 830 Village Club Drive, Sagamore Hills, OH 44067. Include your GVCA account number, so your account is properly credited. **Have questions, call 330-467-7036!**

(\*This is not an optional fee. Also note: There is a \$75 transfer fee on units bought in Greenwood, payable by buyer.) **Last day to pay the fee without penalty was July 30, 2014, after which time we added a late fee of \$40** to all unpaid accounts. An **additional late fee of \$20** is added to all unpaid accounts, including unpaid late fees, at the end of each month thereafter. **After Sept. 30, all unpaid accounts are turned over to the attorney for collection, who places liens on the properties.** All legal fees (such as **\$85** for each legal notice sent, and **\$250** to place and remove the lien) and court costs are the responsibility of owner and will be added to amount you owe. Also, use of the facilities will be denied until the account is paid in full.

### **Facebook**

## **SCHOOL HAS STARTED**

Drivers, school is back in session, so please slow down, drive carefully, and watch for children on their way to and from school! Also watch out for walkers as the days get shorter and the nights get longer.

Walkers, please help by carrying a flashlight and wearing reflective clothing when walking at night.

## ACCES

### ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form.

Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. You should have the latest ACCES Rules, dated 4/20/2004, which includes a list of items that do not need approval, as well as a list of what to include with the form, such as a design drawing, a plat map showing location, and color samples.

**Single-family homeowners** must have their neighbors' signatures on the form. **Condominium owners** must have the written approval of their board or management company on the "Request for ACCES Approval" form *before* submission to the ACCES. **Condominium associations or their management companies** also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects. All requests for approval should be submitted to the GVCA office two weeks prior to the meeting.

The ACCES meets on the **first Tuesday of the month. The next ACCES submittal deadline is Tuesday, September 30, 2014.** This gives the committee members time to review and do an on-site inspection if necessary. The next ACCES meeting is on **Tuesday, October 7, 2014**, at 7:00 pm. Approval forms are available on the desk by the women's locker room. If you need a copy, contact the GVCA office or download it from the website. **Don't forget Sagamore Hills zoning and Summit County building permits for your project!!!** Call the Zoning Inspector for Sagamore Hills Township (330-467-0900).

### Retractable Awnings - Know the Rules

A retractable awning for any housing unit in Greenwood (single family home or condominium) requires ACCES Approval. [Homeowners need their neighbors' approval prior to submission to ACCES. Condo owners need their Association's approval prior to submission to ACCES.] The ACCES rules and standards for awnings are very exacting. ACCES recommends you read the retractable awning rules carefully prior to shopping to insure the one you select can meet GVCA's rigorous standards (show supplier the standards). Owners will need a proposal from supplier to submit with your retractable awning Request for Approval form and other supporting / information / materials. Only a few manufacturers meet the strict standards enacted by the GVCA Board of Trustees. For information, go to:

[http://greenwoodohio.org/retractable\\_awning\\_rules.php](http://greenwoodohio.org/retractable_awning_rules.php)

### Cable Service

Time Warner Cable appointed a special representative for Greenwood Village residents. Contact Mike at 330-604-1949 for your cable TV, high-speed internet, phone service. Ask him how you can get more for your money.

### Satellite Antennas

Satellite antennas, like all changes to your property, are covered by ACCES. If you wish to install a satellite antenna, call the GVCA office and the manager will be glad to come out and help you locate the best place to mount your antenna and will give you an instant ACCES approval. Note: the GVCA Board of Trustees passed a motion in 2001 prohibiting mounting individual satellite antennas on any GVCA or condominium common property, including buildings. Satellite antennas can only be mounted in your exclusive use area, which for condo owners is inside your patio or deck. (Pick up a copy of the ACCES guidelines on satellites from the website or the GVCA Office. Each condominium association is different, so please check with yours for their special rules regarding satellite or cable installation.)
