***This letter contains important information about the construction on your street. Please keep this letter for future reference.***

***Tri Mor Corporation*** of Twinsburg, Ohio has been contracted to make road improvements on Canyon View Road starting on Friday Sept 14<sup>th</sup>. The limits of construction are from 1062 Canyon View to the intersection of Fleetwood. Trimor will maintain a single lane of access at all times. There will be times when work will occur in front of your driveway and access will be limited. Trimor will keep these times as brief as possible and will restore access as quickly as possible. We apologize for any inconvenience you may experience.

You may notice survey stakes and flags in your yard indicating locations of various utilities throughout the area. Please do not disturb these stakes and flags. These contain critical utility locating information to help ensure the least amount of disruption to your service occurs during the construction process.

. Please note; we will not be responsible for any sprinklers/dog fences that are not called into our hotline. Please try to keep any vehicles or obstructions at least 10 feet behind the sidewalk or right-of-way. We will send follow up letters on the upcoming construction schedule, when they become available.

If you have any special needs that we should be aware of, please don't hesitate to contact us. Please know that we will attempt to complete this project as safely and as quickly as possible. The safety of you, your family, and the construction workers is of the utmost concern to us. Please drive **slowly** through the construction zone. ***Please keep off the work areas and do not disturb any of the various types of warning devices around the project.***

**Both Police and Fire Departments have been notified of this work, and emergency access will be maintained at all times.**

If you have any questions or concerns, please contact us at the telephone number listed below

***Thank you for your cooperation in these matters.***

***We remind you to exercise caution when exiting and entering the construction zone.***

**RESIDENTIAL MESSAGE CENTER (330) 405-4111**  
Please leave a message and we will return your call as soon as possible.
