ACCES Update - Camera Rules Changed

Doorbell cameras are surveillance cameras and need to be submitted to ACCES for approval. To enable them to be approved, ACCES now allows them to point away from the door, but they must still comply with the other camera rules. Another rule change is the requirement that your neighbors must approve the cameras. Please review the updated camera rules, dated 3/19/2019, posted on the website or available at the GVCA Office to ensure you mount the camera properly and supply the information needed for ACCES approval. **(Note: Doorbell intercoms (no camera) do not need approval.)**

President's Corner

Dear Greenwood Residents,

Spring has arrived, and Saturday, March 30, we start off our annual Spring Break week with window painting at the pool just for fun, we'll supply the paint. Come the following Monday through Friday at 1 pm for more movie fun at the indoor pool. (Page 4)

As Greenwood approaches our 50th anniversary, come to a special "Greenwood at 50" presentation on Thursday, April 4, at 6:30 pm. Refreshments will be served. This will be a great opportunity to see the newly renovated Community Room and hear the new sound system. If you have pictures of early Greenwood or of Greenwood activities, please share them with the GVCA office to enhance this event. (Page 5)

Join our team for an outdoor nature hike and discover the little grand canyon of Greenwood on Saturday, April 13. (Page 8)

Look throughout this newsletter and watch the Greenwood website for more upcoming activities, such as the annual Cindo de Mayo party (Page 3) Trout Derby (Page 6), and Flower Sale (Page 10).

With the longer evenings, please drive slowly and watch out for walkers and pets distracted by the sights and sounds of Spring. Walkers, walk facing traffic along the far outside curb. Let's all safely share our community's roads.

Please do not hesitate* to reach out to me at 330-655-5566 or GVCAPresident@gmail.com with your questions and ideas.

Best Wishes,

GVCA President

ACCES

ACCES Update - Cameras

Doorbell cameras are surveillance cameras and need ACCES approval. See the update on the front page as well as the camera rules dated 3/19/2019 posted on the website or available at the GVCA Office to ensure you mount the camera properly and supply the information needed for ACCES approval.

Tree Replacements:

One of the goals of GVCA and ACCES is to maintain the number of trees in Greenwood Village. Each year approximately 40 requests for tree removals are reviewed and dispositioned by ACCES (or by the GVCA Manager on behalf of ACCES). When requests are approved, the resident or condominium association is required to plant a new tree at least four feet minimum on the property for each tree removed. To facilitate tracking of these replacements, future approvals will also require that the replacement tree(s) be planted within 90 days. Diagrams or photos of the property showing location of the replacement tree(s) must be submitted along with photographs of the tree(s). Residents or condominium associations can request extensions of the 90 days. Submittals requesting tree removals should clearly identify the trees and trees must be marked, preferably with a ribbon tied around them.

Updates to ACCES Rules

Check the Greenwood website for the ACCES rules regarding radon mitigation, sprinklers systems, sound systems, microphones, outdoor TVs, and outdoor events.

ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. The latest ACCES Rules are posted at greenwoodohio.org. Single-family homeowners must have their neighbors' signatures on the form.

Condominium owners must have the written approval of their board or management company on the "Request for ACCES Approval" form before submission to the ACCES.

Condominium associations or their management companies also must submit a "Request for ACCES Approval" form to the ACCES and have it approved before beginning any outside projects.

The ACCES meets on the first Tuesday of the month. The next ACCES submittal deadline is Tuesday, April 30, 2019. The next ACCES meeting is on Tuesday, May 7, 2019, at 7:00 pm in the Garden Room. Approval Forms are at the GVCA office or on the website. Don't forget Sagamore Hills zoning (330-467-0900) and Summit County building permits for your project!!!

Reminder to Dog Walkers

If you are a dog owner, especially as the snow falls, we thank you for keeping Greenwood beautiful!

Remember, when you walk your dog:

- Know where you are allowed to walk your dog! GVCA property is the only place usable by all dogs. The map is on the Greenwood website.
- Always take a bag and pick up after your dog.
- Don't leave it, planning to "pick it up later."
- Throw it away at home or in a trash can, we added 4 more!
- Do not let your dog on other people's property. This includes condominium associations you do not live in.
- Leash and be in control of your dog at all times.

Make Payee = "GVCA", 830 Village Club Drive, Sagamore Hills, OH 44067. Always include your GVCA account # on your check to ensure proper credit. Mail your check, drop it through the office door, or pay through your own online bill pay program. Additional late fees of \$35 are added to unpaid accounts at the end of January and every month-end thereafter. After March 30, unpaid accounts are turned over for collection to the attorney, who places liens on the properties. All legal fees (such as \$95 for each legal notice sent, and \$250 to place & remove the lien) and court costs are the responsibility of owner and added to amount you owe. Partial payments are applied first to late fees, then to legal fees, and lastly to GVCA semi-annual fees. If the balance owed is not paid in full by the deadlines above, the late & legal fees listed above will be added.
