STATE OF OHIO

Issue 1, Right to Make Reproductive Decisions Including Abortion Initiative

The proposed amendment would:

Establish in the Constitution of the State of Ohio an individual right to one’s own reproductive medical treatment, including but not limited to abortion;

Create legal protections for any person or entity that assists a person with receiving reproductive medical treatment, including but not limited to abortion;

Prohibit the citizens of the State of Ohio from directly or indirectly burdening, penalizing, or prohibiting abortion before an unborn child is determined to be viable, unless the State demonstrates that it is using the least restrictive means;

Grant a pregnant woman's treating physician the authority to determine, on a case-by-case basis, whether an unborn child is viable;

Only allow the citizens of the State of Ohio to prohibit an abortion after an unborn child is determined by a pregnant woman's treating physician to be viable and only if the physician does not consider the abortion necessary to protect the pregnant woman's life or health; and

Always allow an unborn child to be aborted at any stage of pregnancy, regardless of viability if, in the treating physician's determination, the abortion is necessary to protect the pregnant woman's life or health.

Issue 2, Marijuana Legalization Initiative

The Act would enact Chapter 3780 ('Chapter') of the Ohio Revised Code regarding adult use cannabis control to authorize and regulate the cultivation, processing, sale, purchase, possession, home grow, and use of adult use cannabis by adults at least twenty-one years of age ('adult use consumers'). Adult use cannabis, cannabis and marijuana are all defined under the Act to mean marihuana as defined in section 3719.01 of the Ohio Revised Code.
