#### **ACCES**

#### ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. See latest ACCES Rules at www.greenwoodohio.org.

**Condominium associations or their management companies** also must submit a "Request for ACCES Approval" form to the ACCES and have approval before beginning any outside projects.

Don't forget Sagamore Hills zoning (330-467-0900) & Summit County building permits for your project!!!

#### Tips to Insure an ACCES Application is Approved:

- All applications must have approval signatures (from neighbors if you own a single family home, or from your condominium board or management company if you own a condominium) before submission to the ACCES.
- 2. Applications for tree removal; Trees must be marked with a ribbon.
- 3. Supporting documents must be included, e.g., if requesting new windows attach the brochure from the company and circle the style and color of the window exterior. Include supporting construction documents if applicable. Links to websites are not acceptable.
- 4. The more information provided, the more likely the application will be approved. Most applications are disapproved only because not enough information was provided.

#### **Other Reminders**

Applications must be submitted by the owner or the condominium association (if a condominium project). ACCES does not accept applications directly from contractors, nor does ACCES respond to calls or emails from contractors asking if an application has been approved. ACCES reviews projects as submitted via e-mail to gvca\_office@yahoo.com. Approval Forms are on the www.greenwoodohio.org.

Thank you for helping to keep Greenwood beautiful.
