GREENWOOD NEWS

Dear Greenwood Village Residents,

The Township paving of the entrance portion of Village Parkway should be complete and open by November 6, and then the rest of Village Parkway will closed for resurfacing, which should be complete around November 20, depending on the weather. Here is a map showing the detour route to use starting November 6 to reach the Club House and surrounding homes. It is also posted on the Greenwood website, so it is easy to share with visitors.

The old roof of the Club House is being removed and a new roof installed, along with new Community Room skylights. Work will not begin until after the Election to avoid traffic problems. The Club House is expected to remain open during this project, but there may be some temporary access changes as equipment and material is moved around. Watch the website for notices and updates.

We hope you found the Candidates Night on Thursday, 10/3 informative, and do not forget to vote Tuesday, 11/5!

A special thank you to all the volunteers who helped to setup, run, and take down the Haunted Club House, you made this party frightfully fun for everyone who attended, especially the kids! Visit www.GreenwoodOhio.org

ACCES

ACCES meets the first Tuesday of every month. Applications must be submitted no later than the week before. Please attach all supporting documentation, such as brochures, color samples, drawings, etc.

Lights, Cameras, Approval!

Lights* and doorbell cameras need ACCES approval. See the <u>lights and cameras rules</u> posted on the website to ensure you buy the correct type of light, mount your camera properly and supply all the information needed for ACCES approval. *Light color must be \leq 3,000° K.

ACCES APPROVAL

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. See latest ACCES Rules at www.greenwoodohio.org.

Condominium associations or their management companies also must submit a "Request for ACCES Approval" form to the ACCES and have ACCES approval before beginning any outside projects.

Don't forget Sagamore Hills zoning (330-467-0900) & Summit County building permits for your project!!!

Tips to Insure an ACCES Application is Approved:

- All applications must have approval signatures (from neighbors if you own a single family home, or from your condominium board or management company if you own a condominium) before submission to the ACCES.
- 2. Applications for tree removal: Trees must be marked with a ribbon.
- 3. Supporting documents must be included, e.g., if requesting new windows, attach the brochure from the company and circle the style and color of the window exterior. Include supporting construction documents if applicable. Links to websites are not acceptable.
- The more information provided, the more likely the application will be approved on the first submittal. Most applications are disapproved only because not enough information was provided.

Other Reminders

Applications must be submitted by the owner or the condominium association (if a condominium project). ACCES does not accept applications directly from contractors, nor does ACCES respond to calls or emails from contractors asking if an application has been approved. ACCES reviews projects as submitted via e-mail to gvca_office@yahoo.com. Approval Forms are on the www.greenwoodohio.org. Submit your outdoor project early so it is not delayed.

<u>Mailboxes</u>

As guests and potential buyers drive through Greenwood, our mailboxes are the first thing visitors notice, especially if rusted or falling apart. Please make sure your mailbox is in good condition, with the wood stained and the metal painted. Or install a new mailbox from one of the <u>mailbox designs pre-approved</u> by ACCES. Please help Greenwood stay beautiful.

GVCA installed a new LockBox on the traffic island so you can easily drop off payments and forms.

Check the Greenwood website for the latest ACCES Rules.

See website for GVCA Dog Walk Areas and Policy.
