## GREENWOOD NEWS

Dear Greenwood Village Residents,

The bills for the July semi-annual assessment of **\$273** were mailed the beginning of June, watch your mailbox and your e-mail for your statement. Payment is due July 1, 2026.

Checks are still accepted at the GVCA Office, but we encourage you to use Buildium's free ACH EPay system to save a stamp or a trip to the office. Scanning this QR code will take you to the Buildium log-in site so you can pay your bill online, or go to the [Resident Login](#) link at the top of the [www.greenwoodohio.org](http://www.greenwoodohio.org) website.

If you did not get your bill via e-mail or if you try entering your e-mail to sign-up and cannot log in, that means the GVCA Office does not have your e-mail address in Buildium. Please e-mail your **address and cell phone #** to the GVCA office via [GVCA\\_Office@yahoo.com](mailto:GVCA_Office@yahoo.com) ASAP so you can log in Buildium and the new pass system\*, even setup autopay.

We had a great turnout for the Trout Derby on May 2 and the rainbow trout seemed to be biting due to the rain. This year trout were caught in all trophy categories. The largest trout was 13-1/2 inches, the largest non-trout was a 21 inch catfish! Thank you to all the attendees and the volunteers. See the full results on page 4.

Over 90 people attended GVCA's Cinco de Mayo Party Saturday, May 2. Everyone enjoyed the good food catered by Dos Coronas, and fun and games, including two Piñatas.

Lap swims and water aerobics are on Mondays, Wednesdays, and Fridays. See Page 4 for [pool hours](#) and for lap swim & water aerobics times.

## GREENWOOD NEWS (Continued)

We are moving forward with the new activity pass system called MokoPass. You will be e-mailed an invite to enroll and sent updates as we implement this transition. \*Your e-mail address in Buildium is the one MokoPass recognizes. Your barcode tag still works and we'll keep using the old barcode system during the transition, inviting people without barcode tags into MokoPass first, then everyone else, giving the office staff time to approve the 2,500 new accounts.

In MokoPass you will set up new pass accounts for yourself and the residents of your home. You can also buy both Year and Day guest passes before coming to the pool, speeding entry. Scan this barcode to go to the MokoPass page to learn how to set up your accounts.

We have events planned for the whole year, mark your calendar with all the fun activities listed below:

**ACCES**

ACCES meets the first Tuesday of every month. Applications must be submitted at least a week before. Include all supporting documentation, such as brochures, color samples, drawings, etc.

**ACCES APPROVAL**

Don't forget to submit a "Request for ACCES Approval" form. Additions or outside changes to existing lots or structures must be submitted in writing to Greenwood's Architectural Control Committee for Existing Structures (ACCES) for approval. Check the Greenwood website for the latest [ACCES Rules](#).

**Condominium associations or their management companies** also must submit a "Request for ACCES Approval" form to the ACCES and have ACCES approval before beginning any outside projects.

**Don't forget Sagamore Hills zoning ([330-467-0900](tel:330-467-0900)) & Summit County building permits for your project!!!**

**Tips to Insure an ACCES Application is Approved:**

1. All applications must have approval signatures (from neighbors if you own a single-family home, or from your condominium board or management company if you own a condominium) before submission to the ACCES.
2. Applications for tree removal: Trees must be marked with a ribbon.
3. Supporting documents must be included, e.g., if requesting new windows, attach the brochure from the company and circle the style and color of the window exterior. Include construction documents if applicable. Links to websites are not acceptable.
4. The more information provided, the more likely the application will be approved on the first submittal. Most applications are disapproved only because not enough information was provided.

**Satellite Antennas**

For instant approval, use the ACCES Individual Satellite Antenna Authorization Form at the GVCA Office or website under Forms. Fill out completely, initial, and sign that you will comply, and it's instantly approved when dropped at the GVCA Office. Click here for [Satellite Instant Approval Form & Rules](#).

**Lights, Cameras, Approval!**

**Lights\* and doorbell cameras need ACCES approval.** See the [lights and cameras rules](#) posted on the website to ensure you buy the correct type of light, mount your camera properly and supply all the information needed for ACCES approval.

**\*Light color must be ≤ 3,000° K.**

**Other Reminders**

Applications must be submitted by the owner or the condominium association (if a condominium project). ACCES does not accept applications directly from contractors, nor does ACCES respond to calls or emails from contractors. ACCES reviews projects as submitted via e-mail to [gvca\\_office@yahoo.com](mailto:gvca_office@yahoo.com). ACCES Forms are at [www.greenwoodohio.org](http://www.greenwoodohio.org). Summer is coming, submit your outdoor project early so it is not delayed.
