GREENWOOD NEWS

Dear Greenwood Residents,

Thank you to Sagamore Hills Township & Summit County for the new walking lanes painted on Village and Greenwood Parkways! Please remember to walk facing traffic, wear light-colored clothing, and carry a flashlight when it is dark!

'Trick-or-Treat' is Saturday, October 31, from 6-8 pm, please drive slowly & carefully! Turn on your outdoor lights if you want trick-or-treaters at your door and off if you don't!

The new Clubhouse front steps and ADA railings were completed in September. Built of treated lumber, it will be a few months before the steps can be stained.

NOTICE: The GVCA Board authorized ACCES to charge a \$45 fine for projects begun before receiving ACCES approval, starting on January 1, 2027. If you are planning a project, be sure to submit your project to the GVCA Office and to receive ACCES approval before starting the project to avoid this enforcement fine.

GREENWOOD NEWS (Continued)

Our Haunted Clubhouse party is on Friday, October 23. **You will need to be in MokoPass for entry of yourself and your guests!** Please help set up the scariness on Thursday, October 22, with our decorations or yours (be sure to write your name on yours). Thank you to all who help decorate & run the party and who donate & pass out candy.

The Holiday Party on Friday, December 4 is our last party of the year and our fanciest! The Sign-up Form is on Page 3.

Early bird lap swims and water aerobics are on Mondays, Wednesdays, and Fridays. See Page 4 for [pool hours](#) and for lap swim & water aerobics times.

Let's Talk Trees...Keeping Greenwood Green

Greenwood Village was developed on the estate of WG Marshall who had established an extensive arboretum of native and unique varieties of trees. When development of Greenwood began, part of its charter was to preserve this diverse natural environment. Hence the need to replenish trees that are removed due to age, disease, storm damage, or other legitimate reasons.

Although not currently stated in the ACCES Procedures and Rules document, the approval letters have always indicated that for every tree removal a replacement tree, at least 4 foot tall (approximately 1 inch caliper trunk), needed to be planted within 180 days somewhere on the property. ACCES is currently modifying the rules document to include a statement of this obligation.

Recently, owners have approached ACCES to address the challenge of compliance with the tree replacement requirement. Some associations have indicated that they either do not have funds, or acceptable locations for planting these replacement trees. ACCES has included the provision for accepting alternative means of meeting this requirement. The time frame can be adjusted, trees can be donated to GVCA for planting in common areas, other landscape plantings may be accepted, e.g. shrubs. These will be reviewed on a case-by-case basis.

As with all ACCES procedural requirements, the purpose is to preserve the natural, desirable beauty of Greenwood Village.

Tree Removal Request—you must clearly mark the trees on your property with a visible ribbon.

Vehicles... Commercial, Off-Road, Recreational

Trains, planes, or boats?? Hopefully NOT...nothing but passenger vehicles should be observed in drives, parking lots, or roadways within Greenwood! The ACCES Rules explicitly state "No automobile, trailer, nor vehicle of any kind, licensed or unlicensed, shall be stored on any public right-of-way, driveway, or anywhere in or upon any lot, except in the confine of the garages provided therefore." Commercial, maintenance, and construction vehicles are only allowed during deliveries and the performance of services. Such vehicles are generally here for a short time and are essential for servicing the needs of Greenwood owners. Vehicles displaying commercial signage are NOT to be parked or stored overnights or weekends on Greenwood properties. Likewise, ALL types of recreational vehicles... campers, trailers, boats of any size, motorcycles, e-bikes, all-terrain vehicles, motorhomes...are to be parked or stored so that they are not visible, ideally within a garage.

This proposed amendment

- Allow state law to provide for an alternative method of verifying a voter's identity for a voter who has a sincere religious objection to being photographed and, therefore, does not possess an approved form of government-issued photo identification.
- Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier.
- Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card.

If approved, the amendment
shall take effect immediately.

A "YES" vote means approval of
